well will be driven has not yet been decided upon and will not until bids age to better any market respective to a received by the farmer who will give the largest amount for a flowing well. The amount so received will go toward the expense of the experiment.

In speaking with one of the stockholders in the company, he stated that if a good flow of water could be selast year. Last year cured at an expense of about \$1000 lbr were very heavy there would soon be many such wells on the sand ridge.—La Grande Observer.

> Golconda Deal at a Standstill. J. A. Howard returned today from Pendleton, where he went some days since on business pertaining to the reorganization of the Golconda. Regarding the deal he merely confirms what was stated in these columns yesterday, on the authority of Attorney Ricards; that thus far no progress has been made in getting the two factions together on the Prussing proposition; that it will have to be modified before any agreement can

The county commissioners have issued an order directing that in the made that bankers and future all county prisoners who are adjoining the Winnebago taken out of jail to work on the roads there systematically or are about the court house grounds, sindians of their wealth. must wear a ball and chain. There effic charge against Father are quite a number of prisoners who that he forged the name of are boarding at the county's expense a woman to a certificate of and the commissioners are m woman to a certificate of and the commissioners are determined. He denies the charge and in that they shall perform some labor ination says his arrest is sim-in part payment for some of the food grempt on the part of those attempt on the part of those attempt has been trying to Statesman.
